Delaware Riptide Aquatics Swim Team
Coach Meg

Congratulations to everyone for a wildly successful summer swim season. I hope you enjoyed it as much as I did. My goal for this season was, of course to win without compromising the most important aspect of swimming – having fun. Summer swimming is all about having fun and building team spirit. After watching my swimmers cheer for each other at meets, achieve their best times, and complete an undefeated season, I knew I have fulfilled my goal. It takes a lot of people to help make that happen, and I warmly thank all those who volunteered for everything from timing to concessions. Without all of you, this season would not have been possible. And last, but certainly not least, I would like to thank my swimmers, who make me and all the volunteers necessary in the first place. I know you guys had fun but I can assure you that I had just as much fun working with you. You guys are awesome! Keep up the hard work this winter, and I hope to see you next summer.

Meg
