Swim Team

Summer 2008

Riptide Summer 2008

On the Board's behalf I want to thank all the parents who had a hand in helping this summer. It is a very big task to run a home meet and every one stepped up and helped out in the pre set up of the starting blocks, timing system, backstroke flags, removing railings, tents, ribbon writing, concessions and the reverse of all that at the end of the meet. In past years we had to go around and beg people to work and this summer especially we had parents asking what they could do. You are one of the very best team parents we have ever had in the fifteen years Riptide has been in Delmarva Swimming, THANKS FOR ALL YOUR EFFORT. I want to especially thank the parents who took the officiating class and were deck officials. It's a hard but necessary task to review each swimmer for legal strokes. In addition, none of the home meets or the Cecil Y meet would have run without Liz Snyder as a starter for the meets.

Also this year we had record numbers of swimmers attending the meets. You, the parents, were very committed to getting your children to both the home and away meets and it was great to see that many swimmers at the meets. We had swimmers at the Shomen Invitational, Kent Invitational, Guppy Meet and the Miles River Invitational this year; you all did a great job.

The other factor in having all this happen in a short season is coaching. Carla, Deb and Kasey did a great job of keeping the team on schedule and keeping up with the enormous amount of paperwork to get entries in on time and correcting mistakes at the meet. We had 33 swimmers who made Championship times this summer and everyone improved their times over the very short season. We were 4 and 4 on the season with a lot of close meets. The season opener was a 182 to 183 loss to Talbot, one point! We also had one record breaker this summer. We hope you had a fun summer and look forward to seeing everyone next summer. Again thanks to all the parents and swimmers for an excellent season. Best of luck to the Championship swimmers.
